Non Toxic Shot Disclaimer: The Undersigned acknowledge that in line with the Rockland Wildfowlers Association Rules and the current English Legislation that only non toxic shot may be used in the pursuit of quarry species of wildfowl and certain waders anywhere in England. It is a club rule that only non toxic shot is used on any of the areas that we shoot for any quarry species (including game and vermin). Any person found to be using toxic shot will be dismissed from the club with immediate effect.				
The club also accepts no liability for the actions of any person using toxic shot.
